Consumer Duty: What Will Be The Key Challenges For Firms?

At Worksmart, we're dedicated to helping firms by providing them with practical interpretations of regulatory matters together with Regulatory Technology (RegTech) to help support firms in achieving their regulatory obligations.

In this second blog in our series on the new Consumer Duty (CD), I will focus on what I believe will be the major challenges facing firms when planning their response to CD. We hope you will find this latest blog instalment of help in further understanding CD within your firm and keep a look out for the next in this series of blogs.
