

## RegTech100 2023

**Worksmart makes the list once again as one of the world's most innovative RegTech companies!**

We're delighted to announce that Worksmart have won a place on the list of companies every financial institution needs to know about as they consider and develop their mission critical RegTech and digital transformation strategies.

The RegTech100 is an annual list of 100 of the world's most innovative RegTech companies. These are the companies every financial institution needs to know about as they consider and develop their mission critical RegTech and digital transformation strategies.

The previous RegTech100 lists received widespread attention. Companies that won places on them generated huge awareness among financial institutions. Many were approached directly by banks and other financial services organisations, while other got a more welcome reception from prospective clients and partners.
